***Wawa Partners with Red Cross to Support Red Cross Month***  
***This Spring Wawa Customers and Associates Help Those in Need through Wawa Blood Drives***

**Wawa, Pa. (March, 2011)** – March is national Red Cross Month and Wawa is inviting their customers and associates to help save a life by donating blood at one of their spring blood drives at one of the 30 blood drive locations Wawa is sponsoring blood drives now through May 17th in PA, NJ, MD, and VA.

This year's severe winter weather has impacted the local blood supply. Patients are counting on your help to ensure blood is available when it's needed; the need is constant. The Red Cross urges all eligible donors in unaffected areas to make an appointment to give blood or platelets in the coming days, and those in affected areas to donate as soon as travel is safe.

Wawa Associates have supported the American Red Cross blood drives for more than two decades. Wawa's blood drives are open to the public. They are staffed by Wawa volunteers, who give of their time, and they donate their blood for this important, life-saving effort; a single blood donation can help as many as three people. As an added incentive, successful donors will receive a coupon for a free 16 oz. Wawa iced tea.

The whole process of giving blood takes about an hour. The donation itself is only about ten minutes. If you are not eligible to give blood, please recruit a friend, relative or customer. If you are not eligible to give blood, please recruit a friend, relative or customer. Most healthy people who are at least 17 years of age and weigh 110 pounds or more are eligible to donate blood every 56 days. Remember to drink plenty of fluids before your appointment. Donors must bring the appropriate photo identification, such as a driver's license or American Red Cross donor card. Afterwards, your blood donation is brought back to the American Red Cross where it is tested and separated into components.

The need for blood is constant. Approximately every two seconds a patient in the United States needs a blood transfusion. Please consider making a blood donation at one of our upcoming Wawa Blood drives. See the attached Spring Wawa Blood Drive schedule and sign up to save a life!

Remember – your blood donation is needed, it will touch someone's life. One pint of blood can save three lives. See the attached Wawa Blood Drive schedule and sign up to save a life!

***About Wawa, Inc.***

*Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, Pa, in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960's, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa operates more than 560 stores in Pennsylvania, New Jersey, Delaware, Maryland and Virginia.*
