2010 ENVIRONMENTAL COMMUNITY SERVICE AWARD FOCUSES ON “A CONNECTION TO YOUR COMMUNITY.”

Two grants will be awarded: \$5,000 each to a middle school and a high school to be used toward environmental programs.

Wawa, NBC10 and the environmental law firm of Manko, Gold, Katcher & Fox, LLP are looking for school classes, clubs or teams that establish a worthwhile environmental community service school project that demonstrates a “connection to your community.”

The criteria for projects includes, but is not limited to: establishing awareness of our natural and historic resources, and/or promoting community service that focuses on environmental and quality of life issues.

To qualify, schools must meet the following criteria:

- Complete and submit this application by **Friday, February 26, 2010**. (Photographs and other supporting information are optional.)
- Be located in the following Delaware Valley counties: Pennsylvania – Berks, Bucks, Chester, Delaware, Lehigh, Montgomery and Philadelphia; New Jersey -- Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean and Salem; Delaware – Kent and New Castle.
- The application can be submitted to Wawa’s website (providing it is sent from an official school e-mail address) or by mail to Wawa’s Public Relations Department. **Be sure mailed applications are signed by a school official. (See details below.)**

The proposals from schools who meet the criteria above will be reviewed by a panel of judges from: Wawa, NBC 10, Manko, Gold, Katcher & Fox, LLP, The Franklin Institute, Academy of Natural Sciences, the Fairmount Water Works Interpretive Center and representatives from Pennsylvania and New Jersey’s Dept. of Environmental Protection and Delaware’s Department of Natural Resources and Environmental Control. Close to the date of Earth Day (April 22, 2010), two schools (one high school and one middle school) will be selected from all the completed applications received.
