## ***Wawa Provides Red Cross Support with Fall Blood Drives***

### ***Fall Schedule Includes More Than 38 Blood Drives Open to the Public***

**Wawa, Pa. (October 2011)** – This fall give blood at more than 38 Wawa sites throughout the company and join our efforts to help the American Red Cross save lives. From October 3<sup>rd</sup> through November 30<sup>th</sup>, Wawa will be hosting blood drive sites in four of their operating states: PA, NJ, MD, and VA. The American Red Cross is urging all eligible donors to donate blood now to help increase blood supplies, which are currently critically low and patients are at risk for not receiving the blood transfusions they need. Recent weather conditions experienced across the nation is a contributing factor to the shortage. Please consider donating blood at a Wawa Blood Drive this fall.

Last year, more than 2,961 units of blood were donated by associates and customers chain wide in 2010. Our goal for 2011 is to collect 4,000 units of blood. So far our summer campaigns have collected 3,202 units chain-wide year to date, breaking all prior year's records.

Wawa Associates have supported the American Red Cross blood drives for more than two decades. During the past nine years, more than 19,282 units of blood have been collected at Wawa's chain wide blood drives. Wawa's blood drives are open to the public. They are staffed by Wawa volunteers, who give of their time, and they donate their blood for this important, life-saving effort; a single blood donation can help as many as three people. As an added incentive, successful donors will receive a coupon for a free pint of Wawa iced tea or fruit drink.

The whole process of giving blood takes about an hour. The donation itself is only about ten minutes. If you are not eligible to give blood, please recruit a friend, relative or customer. Your blood could save the life of a cancer patient, a teenager who has been in an accident or a premature infant. Most healthy people who are at least 17 years of age and weigh 110 pounds or more are eligible to donate blood every 56 days. Remember to drink plenty of fluids before your appointment. Donors must bring the appropriate photo identification, such as a driver's license or American Red Cross donor card. Afterwards, your blood donation is brought back to the American Red Cross where it is tested and separated into components.

Remember – your blood donation is needed, it will touch someone's life. One pint of blood can save three lives. See the attached Wawa Blood Drive schedule and sign up to save a life!

To schedule your appointment to donate blood in **PA, NJ, MD, VA**, simply call:  
Please call: **1-800-RED CROSS (800-733-2767)** for more information or to sign-up to donate blood.

If you would like to donate blood in the State of Delaware, you can also participate by calling the  
**Blood Bank of Delmarva at: 1-888-8-BLOOD-8**

Do you have questions about donating blood? Visit <http://www.redcrossblood.org/> for more information.

#### **About Wawa, Inc.**

*Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, Pa, in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960's, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa operates more than 580 stores in Pennsylvania, New Jersey, Delaware, Maryland and Virginia.*
