Concert Ends Day of Delicious Cuisine; Show Followed by Fireworks over Delaware River

PHILADELPHIA, PA: Following a day of dining on the best local cuisine, visitors to the Great Plaza at Penn's Landing can unwind under the stars and jam to June 26 *Taste of Philadelphia* headliner Morris Day and The Time.

"When "The Bird" plays on the radio, people of all backgrounds and generations turn the volume up and jam," said Mayor Michael Nutter. "I'm sure they'll have the crowd moving to their hits."
