

## Wawa Fun Fact Sheet

### Did You Know...

- **Wawa is the Lenni-Lenape name for a Canada Goose?**  
It's true. Over 100 years ago, our original dairy farm was built on land located in a rural section of Pennsylvania called Wawa, which was named from a local Native American tribe in honor of their favored game - the Canada Goose.
- **The Canada Goose has become a symbol of the very best attributes of our company?**  
Just like a majestic flock of Canada Geese flying synchronously in "V" formation, we employ the principles of teamwork, group consensus and encouragement in our company. We think it's the only way to fly.
- **Wawa has over 200 years of history and tradition?**
